16th YEAR of CME Courses Sponsored by the International AIDS Society-USA

Improving the
Management
of HIV Disease®
2008

An Advanced CME Course in HIV Pathogenesis, Antiretrovirals,
and Other Selected Issues in HIV Disease Management

Tuesday, February 26, 2008
Westin Peachtree Plaza
210 Peachtree St
Atlanta, GA 30303

COURSE CHAIR:
Michael S. Saag, MD
Professor of Medicine
Director, Division of Infectious Diseases
Director, Center for AIDS Research
The University of Alabama at Birmingham
Birmingham, AL

COURSE VICE-CHAIR:
Jeffrey L. Lennox, MD
Professor of Medicine
Emory University School of Medicine
Medical Director
Infectious Disease Program
Grady Health System
Atlanta, GA

PRELIMINARY AGENDA

- 7:30 AM Registration Opens
- 8:15 Welcome and Introduction
- 8:30 Update on Basic Science and HIV Pathogenesis
- 9:15 Important Drug-drug Interactions and Updates on Toxicities of Antiretroviral Therapy
- 10:00 Morning Break
- 10:30 Management Strategies for Initial Antiretroviral Therapy
- 11:10 New Available and Investigational Drugs
- 11:50 Interpretation of Resistance Tests and Tropism Assays
- 12:30 PM Hosted Lunch and Optional Meet-the-Experts Session
- 1:30 Strategies for Antiretroviral Failure: Case-based Panel Discussion
- 2:40 Update on Sexually Transmitted Infections and HIV
- 3:10 New Drugs and New Approaches for HIV and Hepatitis Coinfection
- 3:55 Closing Remarks

COURSE TOPICS AND OBJECTIVES

Expert faculty will speak on timely and clinically relevant issues that affect your day-to-day practice. These include:

- Investigational drugs in the pipeline
- When to initiate antiretroviral therapy
- Managing late and complicated failure
- Investigational drugs for viral hepatitis coinfection

Upon completion of the course, participants will be able to:

- Design antiretroviral strategies that consider current data on:
 - The appropriate initiation of antiretroviral therapy
 - The management of complicated failure
 - Interpreting of resistance test results and use of tropism assays in treatment
 - The status of investigational antiretroviral drugs and the role of newly approved drugs in antiretroviral regimens
 - The pathogenesis of HIV and new methods of measuring the effectiveness of antiretroviral drugs
- Describe the incidence, diagnosis, and management of syphilis, trichomoniasis, bacterial vaginosis, and other sexually transmitted infections in HIV-infected patients
- Formulate appropriate management strategies for viral hepatitis coinfections with HIV by utilizing current data on investigational and new available therapies

PLEASE TYPE OR PRINT CLEARLY. ALL INFORMATION MUST BE PROVIDED.

WEB

NURSING CONTACT HOURS CREDIT DESIGNATION STATEMENT

Southeast AIDS Training and Education Center is an approved provider of continuing nursing education by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This event has been approved for 7.25 contact hours.

REGISTRATION

Early registration is strongly recommended, as attendance is limited to the first 450 registrants and these programs fill to capacity quickly.

You can register online with secure credit card payment at www.iasusa.org or mail or fax a completed registration form and payment. **The registration fee on or before February 5 is \$50; after February 5, the fee is \$65.** Registered attendees may access the course syllabus, in PDF format, on our Website (www.iasusa.org) after February 19. *Please note: The syllabus is typically more than 100 pages in length and may take extra time to download.* Requests for cancellation or substitution must be submitted in writing to the IAS-USA office by February 12.

Incomplete applications (missing information, unchecked boxes, no payment included) will not be processed and will be returned for completion.

If you have not registered or have not received registration confirmation 2 weeks prior to the course, please contact us to confirm that seating is still available.

For general information and questions, please contact:

GRANT SUPPORT

This program is supported by educational grants from several commercial companies. In the interest of an objective, balanced, and scientifically rigorous program, the International AIDS Society-USA seeks funding from companies with competing products. Funding companies have no input into or control over the program content or the selection of the faculty. Supporters will be announced as they are confirmed.

ASSESSMENT OF NEEDS

Rapid advances in HIV disease management require the ongoing attention of HIV practitioners involved in HIV medicine. This course will address the implications of new information on strategies for HIV management. Information will be presented through a mix of didactic lectures and clinically relevant cases developed by an expert faculty of HIV/AIDS clinicians and researchers.

Some medical specialty societies, including the HIV Medicine Association and the American Academy of HIV Medicine, and some state licensing boards may require that members earn a certain number of HIV/AIDS *AMA PRA Category 1 Credits*.™ This course may contribute toward those criteria.

CONFLICTS OF INTEREST

Information regarding conflicts of interest is obtained from all parties with control over the activity content (ie, co-chairs, faculty, and IAS-USA staff), and any conflicts of interest of those parties are resolved prior to the activity being delivered.

WHO SHOULD ATTEND

This course is designed for physicians who are actively involved in the medical care of people with HIV/AIDS, specifically those who:

- Have a solid, working knowledge of HIV disease management
- Provide comprehensive or specialty care for at least 10 patients with HIV/AIDS or are involved in HIV/AIDS clinical trials or investigations
- Have completed at least 10 hours of CME in the area of HIV/AIDS medicine in the past 2 years

This course is relevant for practitioners who are involved in HIV/AIDS patient care, including nurse practitioners and other nursing professionals, physician assistants, pharmacists, and others.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the International AIDS Society-USA regarding registration procedures.

CME ACCREDITATION STATEMENT

The International AIDS Society-USA is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The International AIDS Society-USA designates this educational activity for a maximum of 7.25 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**
