16th YEAR of CME Courses Sponsored by the International AIDS Society-USA

Improving the
Management
of HIV Disease®
2008

An Advanced CME Course in HIV Pathogenesis, Antiretrovirals,
and Other Selected Issues in HIV Disease Management

Monday, May 19, 2008
Marriott Chicago Downtown
540 North Michigan Avenue
Chicago, IL 60611

COURSE CHAIRS:

John P. Phair, MD
Professor of Medicine, Emeritus
Feinberg School of Medicine
Northwestern University
Chicago, IL

Harold A. Kessler, MD
Professor of Medicine and Immunology/
Microbiology
Rush Medical College
Associate Director, Section of
Infectious Diseases
Rush University Medical Center
Chicago, IL

PRELIMINARY AGENDA

7:30 AM	Registration Opens
8:15	Welcome and Introduction John P. Phair, MD, and Harold A. Kessler, MD
8:30	Prevention and Circumcision in the New Era of HIV Robert C. Bailey, MD
9:00	Question-and-Answer Period
9:10	Overview on Entry Inhibitors, Integrase Inhibitors, and Tropism Assays Eric S. Daar, MD
9:40	Question-and-Answer Period
9:55	Morning Break
10:25	Initial Antiretroviral Therapy: When and What to Start Kimberly Y. Smith, MD, MPH
10:55	Question-and-Answer Period
11:10	Pharmacogenomics and the Practice of HIV Medicine Charles W. Flexner, MD
11:40	Question-and-Answer Period
11:50	Non-HIV Malignant Oncologic Manifestations in HIV Ronald T. Mitsuyasu, MD
12:20 PM	Question-and-Answer Period
12:35	Meet-the-Experts (optional) Hosted Lunch
1:35	Management Strategies for the Dysmorphic Complications of HIV Michael P. Dubé, MD
2:05	Question-and-Answer Period
2:15	Strategies for Antiretroviral Therapy in Treatment-experienced Patients and Resistance Testing: Case-based Panel Discussion Michael S. Saag, MD
3:15	Question-and-Answer Period
3:30	Closing Remarks

COURSE FACULTY

COURSE CHAIRS:

John P. Phair, MD
Professor of Medicine, Emeritus
Feinberg School of Medicine
Northwestern University
Chicago, IL

Harold A. Kessler, MD
Professor of Medicine and Immunology/Microbiology
Rush Medical College
Associate Director, Section of Infectious Diseases
Rush University Medical Center
Chicago, IL

SPEAKERS:

Robert C. Bailey, MD
Professor
Division of Epidemiology and Biostatistics
University of Illinois at Chicago
Chicago, IL

Charles W. Flexner, MD
Professor of Medicine, Pharmacology, and
International Health
Johns Hopkins University School of Medicine
Baltimore, MD

AMERICAN ACADEMY OF FAMILY PHYSICIANS CREDIT

This activity has been reviewed and is acceptable for up to 6.75 Prescribed credits by the American Academy of Family Physicians.

NURSING CONTACT HOURS CREDIT DESIGNATION STATEMENT

Southeast AIDS Training and Education Center is an approved provider of continuing nursing education by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Contact hours will be awarded based on attendance at entire training program and submission of completed evaluation forms. This course is approved for 6.75 contact hours.

REGISTRATION

Early registration is strongly recommended, as attendance is limited to the first 300 registrants and these programs fill to capacity quickly.

You can register online with secure credit card payment at www.iasusa.org or mail or fax a completed registration form and payment. **The registration fee on or before April 28, 2008, is \$50; after April 28, the fee is \$65.** Registered attendees may access the course syllabus, in PDF format, on our Website (www.iasusa.org) after May 12. *Please note: The syllabus is typically more than 100 pages long and may take extra time to download.* Please submit requests for cancellation or substitution in writing to the IAS-USA office by May 5.

Incomplete applications (missing information, unchecked boxes, no payment included) will be returned for completion, prior to processing.

If you have not registered or have not received registration confirmation 2 weeks prior to the course, please contact us to confirm that seating is still available.

For general information and questions, please contact:

International AIDS Society-USA
 425 California Street, Suite 1450, San Francisco, CA 94104-2120
 Phone: (415) 544-9400 Fax: (415) 544-9402
 E-mail: registration2008@iasusa.org

Visit our Website to register online, to confirm your registration, and for course updates: www.iasusa.org

GRANT SUPPORT

This program is supported by pooled educational grants from several commercial companies. In the interest of an objective, balanced, and scientifically rigorous program, the International AIDS Society-USA seeks funding from companies with competing products. These companies have no input into or control over any aspect of the activity, including program content or selection of faculty.

Substantial Grant Support

- Bristol-Myers Squibb
- Tibotec Therapeutics
- Abbott Laboratories
- Gilead Sciences
- Merck & Co., Inc.
- Pfizer Global Pharmaceuticals

Generous Grant Support

- GlaxoSmithKline

Additional grant support for this course

- Roche Laboratories

Grant support from additional companies will be announced as they are confirmed.

ASSESSMENT OF NEEDS

Rapid advances in these areas require the ongoing attention of practitioners involved in HIV medicine. The course will address the implications of this information on strategies for antiretroviral therapy.

Some medical specialty societies, including the HIV Medicine Association and the American Academy of HIV Medicine, and some state licensing boards may require that members earn a certain number of HIV/AIDS AMA PRA Category 1 Credits™. This course may contribute toward those requirements.

COURSE OBJECTIVES

Upon completion of the course, participants will be able to:

- Design antiretroviral strategies that consider current data on:
 - The appropriate initiation of antiretroviral therapy
 - The status of investigational antiretroviral drugs and emerging resistance profiles of newly approved agents
 - The management of complicated failure, use of resistance testing, and the role of newly approved drugs in antiretroviral regimens
- Describe the role of pharmacogenomics in predicting toxicities of antiretroviral therapy
- Choose effective treatment regimens to manage lipodystrophy as a toxicity of HIV and its therapies
- Identify the latest developments in HIV prevention research, including recent circumcision trials
- Describe the incidence, diagnosis, and management of non-HIV associated malignancies now seen in the current era of HIV management

CONFLICTS OF INTEREST

Information regarding conflicts of interest is obtained from all parties with control over the activity content (ie, co-chairs, faculty, and IAS-USA staff), and any conflicts of interest of those parties are resolved prior to the activity being delivered. Financial affiliations of all those parties are published in the course syllabus.

WHO SHOULD ATTEND

This course is designed for physicians who are actively involved in the medical care of people with HIV/AIDS, specifically those who:

- Have a solid, working knowledge of HIV disease management
- Provide comprehensive or specialty care for at least 10 patients with HIV/AIDS or are involved in HIV/AIDS clinical trials or investigations
- Have completed at least 10 hours of CME in the area of HIV/AIDS medicine in the past 2 years

This course is also relevant for nonphysician practitioners involved in HIV/AIDS patient care, including nurse practitioners and other nursing professionals, physician assistants, pharmacists, and others.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the International AIDS Society-USA regarding registration procedures.

CME ACCREDITATION STATEMENT

The International AIDS Society-USA is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The International AIDS Society-USA designates this educational activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Chicago, IL
