

Improving the  
Management  
of HIV Disease®  
**2008**

An Advanced CME Course in HIV Pathogenesis, Antiretrovirals,  
and Other Selected Issues in HIV Disease Management

Friday, March 14, 2008

Information and online registration are available at  
**[www.iasusa.org](http://www.iasusa.org)**

**New York, NY**

16th YEAR of CME Courses Sponsored by the International AIDS Society-USA

# Improving the Management of HIV Disease® **2008**

An Advanced CME Course in HIV Pathogenesis, Antiretrovirals,  
and Other Selected Issues in HIV Disease Management

Friday, March 14, 2008  
New York Marriott Marquis  
1535 Broadway  
New York, NY 10036

**COURSE CHAIR:**

**Gerald H. Friedland, MD**

Professor of Medicine, Epidemiology,  
and Public Health  
Yale University School of Medicine  
Director, AIDS Care Program  
Yale-New Haven Hospital  
New Haven, CT

**COURSE VICE-CHAIR:**

**Paul A. Volberding, MD**

Chair, Board of Directors  
International AIDS Society-USA  
Marvin Sleisenger Professor of Medicine  
Vice-Chair, Department of Medicine  
University of California San Francisco  
Chief of Medical Service  
San Francisco Veterans Affairs  
Medical Center  
San Francisco, CA

## SCHEDULE

7:30 AM	Registration Opens
8:15	Welcome and Introduction
8:30	Morning Presentations
12:30 PM	Hosted Lunch
1:30	Afternoon Presentations
4:00	Closing Remarks

## COURSE OBJECTIVES

Expert faculty will speak on timely and clinically relevant issues that affect your day-to-day practice. Upon completion of the course, participants will be able to:

- Design antiretroviral strategies that consider current data on:
  - The appropriate initiation of antiretroviral therapy
  - The status of investigational antiretroviral drugs and the role of newly approved drugs in antiretroviral regimens
  - The management of complicated failure and the role of resistance testing
  - Drug-drug interactions among antiretrovirals and with other medications
- Describe the state of the HIV epidemic nationally and internationally and its impact on clinical care
- Identify the malignancies emerging in the current era of HIV and the treatment options
- Formulate appropriate management strategies for HIV coinfection with multidrug-resistant and extensively drug-resistant tuberculosis

## TOPICS AND SPEAKERS

- **State of the Global HIV Epidemic**  
*Kevin M. De Cock, MD*
- **Current Status and Future of the HIV Vaccine Effort**  
*Scott M. Hammer, MD*
- **When to Start Antiretroviral Therapy: Is the Pendulum Swinging Back?**  
*Speaker to be confirmed*
- **Strategies for Antiretroviral Therapy: Initial Therapy Through Complicated Failure: A Case-based Panel Discussion**  
*Michael S. Saag, MD*
- **Pharmacologic Issues in the Selection of New HIV Treatment Regimens**  
*Charles W. Flexner, MD*
- **Overview of Data on New Investigational Drugs, Recently Approved Drugs, and Their Use in Antiretroviral Therapy**  
*Speaker to be confirmed*
- **Emerging Malignancies in the Current Era of HIV Infection**  
*Paul A. Volberding, MD*
- **State-of-the-Art Overview of Tuberculosis: Multidrug-resistant and Extensively Drug-resistant Tuberculosis and HIV**  
*Gerald H. Friedland, MD*

WEB

**NURSING CONTACT HOURS CREDIT DESIGNATION STATEMENT**

Southeast AIDS Training and Education Center is an approved provider of continuing nursing education by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This event has been approved for 6.0 contact hours.

**REGISTRATION**

Early registration is strongly recommended, as attendance is limited to the first 600 registrants and these programs fill to capacity quickly.

You can register online with secure credit card payment at [www.iasusa.org](http://www.iasusa.org) or mail or fax a completed registration form and payment. **The registration fee on or before February 22, 2008, is \$60; after February 22, the fee is \$80.** Registered attendees may access the course syllabus, in PDF format, on our Website ([www.iasusa.org](http://www.iasusa.org)) after March 7. *Please note: The syllabus is typically more than 100 pages in length and may take extra time to download.* Requests for cancellation or substitution must be submitted in writing to the IAS-USA office by February 29.

Incomplete applications (missing information, unchecked boxes, no payment included) will not be processed and will be returned for completion.

If you have not registered or have not received registration confirmation 2 weeks prior to the course, please contact us to confirm that seating is still available.

For general information and questions, please contact:

International AIDS Society-USA  
 425 California Street, Suite 1450  
 San Francisco, CA 94104-2120  
 Phone: (415) 544-9400  
 Fax: (415) 544-9402  
 E-mail: [registration2008@iasusa.org](mailto:registration2008@iasusa.org)

**Visit our Website to register online, to confirm your registration, and for course updates: [www.iasusa.org](http://www.iasusa.org)**

**GRANT SUPPORT**

This program is supported by educational grants from several commercial companies. In the interest of an objective, balanced, and scientifically rigorous program, the International AIDS Society-USA seeks funding from companies with competing products. Funding companies have no input into or control over the program content or the selection of the faculty. Supporters will be announced as they are confirmed. Please visit [www.iasusa.org](http://www.iasusa.org) for current information.

**ASSESSMENT OF NEEDS**

Rapid advances in HIV disease management require the ongoing attention of HIV practitioners involved in HIV medicine. This course will address the implications of new information on strategies for HIV management. Information will be presented through a mix of didactic lectures and clinically relevant cases developed by an expert faculty of HIV/AIDS clinicians and researchers.

Some medical specialty societies, including the HIV Medicine Association and the American Academy of HIV Medicine, and some state licensing boards may require that members earn a certain number of HIV/AIDS *AMA PRA Category 1 Credits*.™ This course may contribute toward those criteria.

**CONFLICTS OF INTEREST**

Information regarding conflicts of interest is obtained from all parties with control over the activity content (ie, co-chairs, faculty, and IAS-USA staff), and any conflicts of interest of those parties are resolved prior to the activity being delivered.

**WHO SHOULD ATTEND**

This course is designed for physicians who are actively involved in the medical care of people with HIV/AIDS, specifically those who:

- Have a solid, working knowledge of HIV disease management
- Provide comprehensive or specialty care for at least 10 patients with HIV/AIDS or are involved in HIV/AIDS clinical trials or investigations
- Have completed at least 10 hours of CME in the area of HIV/AIDS medicine in the past 2 years

This course is relevant for practitioners who are involved in HIV/AIDS patient care, including nurse practitioners and other nursing professionals, physician assistants, pharmacists, and others.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the International AIDS Society-USA regarding registration procedures.

**CME ACCREDITATION STATEMENT**

The International AIDS Society-USA is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

**CREDIT DESIGNATION STATEMENT**

The International AIDS Society-USA designates this educational activity for a maximum of 6.0 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**
