

*Improving the Management of HIV Disease®:  
An Advanced CME Course in HIV Pathogenesis,  
Antiretrovirals, and Other Selected Issues in  
HIV Disease Management*

## **SPRING 2009 SAN FRANCISCO COURSE**

**Monday, April 20, 2009**  
Grand Hyatt San Francisco  
345 Stockton Street,  
San Francisco, CA 94108

---

### **ASSESSMENT OF NEEDS**

Rapid advances in HIV disease management require the ongoing attention of HIV practitioners involved in HIV medicine. The course will address the implications of new information on strategies for HIV management. Information will be presented through a mix of didactic lectures and clinically relevant cases developed by an expert faculty of HIV/AIDS clinicians and researchers.

### **COURSE OBJECTIVES**

Upon completion of the course, participants will be able to:

- Design antiretroviral strategies that consider current data on:
  - HIV pathogenesis as it impacts clinical treatment strategies
  - Managing complicated failure
  - Newly approved drugs and assays
  - Genetic and pharmacologic differences among different patient populations
- Formulate appropriate management strategies for adolescents and young adults with HIV
- Identify neurological consequences of HIV infection
- Develop effective strategies for treating metabolic complications in HIV therapy
- Describe strengths and limitations of cohort study data in HIV medicine

### **WHO SHOULD ATTEND**

This course is designed for physicians and other clinical decision makers who are actively involved in the medical care of people with HIV/AIDS, specifically those who:

- Have a solid, working knowledge of HIV disease management
- Provide comprehensive or specialty care for patients with HIV/AIDS
- Are currently active in HIV/AIDS research

This course is relevant for practitioners who are involved in HIV/AIDS patient care, including nurse practitioners and other nursing professionals, physician assistants, pharmacists, and others.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the International AIDS Society–USA regarding registration procedures.

### **CME ACCREDITATION**

The International AIDS Society–USA is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

### **CREDIT DESIGNATION**

The International AIDS Society–USA designates this educational activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## AMERICAN ACADEMY OF FAMILY PHYSICIANS CREDIT

This activity has been reviewed and is acceptable for up to 6.25 Prescribed credits by the American Academy of Family Physicians.

### REGISTRATION

**Commercial support of CME has been widely debated in recent years. Since 1991, the IAS–USA has used a model of pooling commercial support from companies with competing products for some of its CME activities, which, along with other firewalls, has allowed the organization to provide high-quality, truly independent, and professional education.**

**Some individuals and institutions are forming their own guidelines with regard to the interactions between health care providers and industry, including proposals to eliminate all commercial support from certified CME efforts. Given this environment, the IAS–USA is now offering 2 levels of registration fees for course attendees.**

The first is the subsidized fee, \$50, which is made possible by generous pooled commercial support. The second registration fee, \$390, is the full cost of attendance. **The option to pay the full cost of attendance is intended for practitioners who wish to receive no financial support from commercial sources for their attendance at CME activities.** This unsubsidized fee represents the actual cost per attendee, including costs for meeting room rental; print and production; faculty travel; audiovisual equipment; speaker honoraria; food and beverage service; and administration. These costs are lower than usual because of the deep discounts the IAS–USA can negotiate as a not-for-profit entity. Nevertheless, they are considerably more expensive to the participant than the subsidized fare.

The IAS-USA is interested in knowing your thoughts on this strategy and will collect your feedback systematically for consideration in future CME program development.

### GENERAL SCHEDULE

#### 2009 SAN FRANCISCO COURSE AGENDA

---

7:30 AM	<b>Registration</b>	11:30	<b>Question-and-Answer Period</b>
8:15	<b>Welcome and Introduction</b> Robert T. Schooley, MD Stephen E. Follansbee, MD	11:40	<b>It's Getting Better all the Time: Management of Treatment-Experienced Patients</b> Paul E. Sax, MD
8:30	<b>HIV Pathogenesis: Intracellular Restriction Factors</b> John C. Guatelli, MD	12:25 PM	<b>Question-and-Answer Period</b>
9:00	<b>Question-and-Answer Period</b>	12:40	<b>Hosted Lunch</b>
9:10	<b>Pharmacogenomics of HIV Therapy</b> David W. Haas, MD	1:40	<b>Transitioning Adolescents With HIV to Adult Care</b> Krystn Wagner, MD, PhD
9:40	<b>Question-and-Answer Period</b>	2:10	<b>Question-and-Answer Period</b>
9:50	<b>Newer Approved Antiretroviral Drugs: What Do We Know Now?</b> Roy M. Gulick, MD, MPH	2:20	<b>Selected Metabolic Complications in Persons with HIV Infection: Case-Based Panel Discussion</b> Carl J. Fichtenbaum, MD
10:20	<b>Question-and-Answer Period</b>	3:05	<b>Neurologic Issues in the Current Treatment Era</b> Richard W. Price, MD
10:30	<b>Morning Break</b>		
11:00	<b>HIV Cohort Research: Generating Data from the "Real World"</b> Michael S. Saag, MD	3:35	<b>Question-and-Answer Period</b>
		3:55	<b>Closing Remarks</b>

**Monday, April 20, 2009**  
**Grand Hyatt San Francisco**
