Improving the Management of HIV Disease®

An Advanced CME Course in HIV Pathogenesis, Antiretrovirals,
and Other Selected Issues in HIV Disease Management

COURSE FACULTY

Robert T. Schooley, MD

Course Chair
Member, Board of Directors
(Volunteer)
International AIDS Society–USA
Professor and Vice Chair
Department of Medicine
Head, Division of Infectious Diseases
University of California San Diego
La Jolla, CA

Eric S. Daar, MD

Professor of Medicine
David Geffen School of Medicine
at UCLA
Chief, Division of HIV Medicine
Harbor-UCLA Medical Center
Torrance, CA

Steven C. Johnson, MD

Professor of Medicine
University of Colorado
School of Medicine
Director, University of Colorado
HIV/AIDS Clinical Program
Aurora, CO

Mari M. Kitahata MD, MPH

Professor of Medicine
Director, Clinical Epidemiology
and Health Services Research
Center for AIDS Research
University of Washington
Seattle, WA

Stephen E. Follansbee, MD

Course Vice-Chair
Associate Clinical Professor
of Medicine
University of California San Francisco
Director of HIV Services
Kaiser Permanente Medical Center
San Francisco, CA

Annie Luetkemeyer, MD

Assistant Clinical Professor
of Medicine
University of California San Francisco
San Francisco, CA

John P. Moore, PhD

Professor of Microbiology
and Immunology
Weill Medical College
of Cornell University
New York, NY

David L. Wyles, MD

Assistant Professor of Medicine
University of California San Diego
La Jolla, CA

PRELIMINARY AGENDA

- 7:30 AM Registration
- 8:30 **Vaginal Microbicides as a Method to Prevent HIV-1 Sexual Transmission**
John P. Moore, PhD
- 9:00 Question-and-Answer Period
- 9:10 **When to Start Antiretroviral Therapy**
Mari M. Kitahata MD, MPH
- 9:40 Question-and-Answer Period
- 9:50 **Current Issues in the Diagnosis and Management of HIV/Tuberculosis Coinfection**
Annie Luetkemeyer, MD
- 10:20 Question-and-Answer Period
- 10:30 **Morning Break**
- 10:50 **Investigational Drugs for Hepatitis C Virus Infection**
David L. Wyles, MD
- 11:20 Question-and-Answer Period
- 11:30 **New Antiretroviral Drugs: Expanding Options for Initial Therapy. A Case-Based Panel Discussion**
Steven C. Johnson, MD
- 12:15 PM Question-and-Answer Period
- 12:30 **Hosted Lunch**
- 1:30 **Monitoring and Prevention of Non-HIV-Related Conditions**
Stephen E. Follansbee, MD
- 2:15 Question-and-Answer Period
- 2:25 **Influenza Now: An Update on the H1N1 Epidemic**
Robert T. Schooley, MD
- 2:55 **Management of Treatment-Experienced Patients A Case-Based Panel Discussion**
Eric S. Daar, MD
- 3:40 Question-and-Answer Period
- 3:55 **Summary of Afternoon Presentations**

ASSESSMENT OF NEEDS

Rapid advances in HIV disease management require the ongoing attention of practitioners involved in HIV medicine. This course will address the implications of new information on strategies for clinical management. Information will be presented through a mix of didactic lectures and clinically relevant cases developed by an expert faculty of HIV/AIDS clinicians and researchers.

COURSE OBJECTIVES

Upon completion of the course, participants will be able to:

- Design antiretroviral strategies that consider current data on:
 - When to initiate therapy
 - Managing treatment failure
 - Newer approved drugs
- Identify and differentiate current microbicides as they impact HIV care
- Formulate appropriate management strategies for HIV and tuberculosis coinfection
- Describe current data on investigational hepatitis C virus drugs as they impact the potential for treatment
- Apply practical management strategies for monitoring non-HIV-related diseases
- Describe the current state of the H1N1 virus epidemic

CONFLICTS OF INTEREST

Information regarding financial relationships with commercial companies that have interests in the content discussed, is obtained from all parties with control over the activity content (ie, co-chairs, faculty, and IAS-USA staff), and any conflicts of interest of those parties are resolved prior to the activity being delivered. Financial affiliations of all those parties are published in the course syllabus.

WHO SHOULD ATTEND

This course is designed for physicians and other clinical decision makers who are actively involved in the medical care of people with HIV/AIDS, specifically those who:

- Have a solid, working knowledge of HIV disease management
- Provide comprehensive or specialty care for patients with HIV/AIDS
- Are currently active in HIV/AIDS research

This course is relevant for practitioners who are involved in HIV/AIDS patient care, including nurse practitioners and other nursing professionals, physician assistants, pharmacists, and others.

Representatives and employees of commercial companies (pharmaceutical, diagnostic, medical products, advertising, insurance, investment, communications firms, etc) must contact the International AIDS Society–USA regarding registration procedures.

CME ACCREDITATION

The International AIDS Society–USA is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

CREDIT DESIGNATION

The International AIDS Society–USA designates this educational activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians Credit

This activity has been reviewed and is acceptable for up to 5.75 Prescribed credits by the American Academy of Family Physicians.

Nursing Contact Hours Credit Designation

Southeast AIDS Training and Education Center (SEATEC) is an approved provider of continuing nursing education by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Contact hours will be awarded based on attendance at entire training program and submission of completed evaluation forms. An application has been submitted to the Georgia Nurses Association for approval of 6.4 contact hours. Please call Elizabeth Fullerton at 404-727-1758 for more information.

REGISTRATION

You can register online with secure credit card payment at www.iasusa.org or mail or fax a completed registration form and payment. **The registration fee is \$60 on or before April 26, and will increase to \$75 after April 26.**

Note: Preregistration closes on May 10. **Early registration is strongly recommended as the on-site registration fee is \$120.**

Registered attendees may access the course syllabus, in PDF format, on our Web site (www.iasusa.org) after May 10. Please note: The syllabus is typically more than 100 pages long and may take extra time to download. Please submit requests for cancellation or substitution in writing to the IAS–USA office by May 3.

Incomplete applications (missing information, unchecked boxes, no payment included) will be returned for completion, prior to processing.

If you have not registered or have not received registration confirmation 2 weeks prior to the course, please contact us to confirm that seating is still available.

For general information and questions, please contact:

International AIDS Society–USA
425 California Street, Suite 1450, San Francisco, CA 94104-2120
Phone: (415) 544-9400 Fax: (415) 544-9401

GRANT SUPPORT

In the interest of an objective, balanced, and scientifically rigorous CME program, educational grants are pooled to support this activity. We gratefully acknowledge the below commercial companies for their contributions.

Substantial:

- Merck & Co, Inc
- Tibotec Therapeutics

- Bristol-Myers Squibb
- Gilead Sciences, Inc

Generous:

- ViiV Healthcare

Requests for additional grants have been made to companies with competing products and the updated list of supporters will be posted on the IAS–USA Web site as it becomes available.

PLEASE TYPE OR PRINT CLEARLY.
