

How to Use Poll Everywhere

SMS text messaging instructions

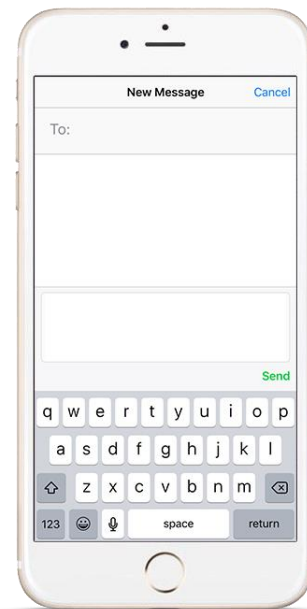

- Text KEYWORD “**IASUSA334**” to “**22333**” once to join the session.
- Text your answer using: 1, 2, 3, 4, or etc.
- The initial KEYWORD you text in is remembered. For the next poll question, you only have to submit 1, 2, 3, etc, in your SMS text message.

Responding via the web

- During the presentation, an instructor will display a Poll Everywhere activity on-screen. The visualization will display a web address that looks like **PollEv.com/iasusa334**.
- From your phone, laptop, or tablet you'll enter the web address and be taken to a screen that allows you to respond to the activity.
