Evolving Strategies in
Viral Hepatitis Management

A SMALL-GROUP WORKSHOP ON EVOLVING STRATEGIES IN HEPATITIS C MANAGEMENT

October 25, 2018—Portland, Maine

International Antiviral Society—USA

Visit <https://www.iasusa.org/about/faqs/...>

- For instructions on logging in and claiming CME, ABIM MOC points, pharmacy, nursing, or pharmacotherapy credits, or a certificate of participation
- If you are not receiving emails about upcoming activities (and would like to)
- With any other questions about our new website

Case presentations will be available on the IAS–USA website 1–2 business days after the workshop at

<https://www.iasusa.org/events/fall-2018-maine-hep-cme-workshop/>

Portland, Maine Course 1-Month Outcome Survey

Your feedback is important to us so we can continue to deliver valuable content in our educational programs

If you enjoyed this workshop and would like to see more cutting-edge and informative activities from the IAS–USA, consider donating at <https://www.iasusa.org/about/donate/>.

Your donation will be used to develop important resources such as HIV Drug Resistance Mutations posters and the guidelines for Antiretroviral Drugs for Treatment and Prevention of HIV Infection in Adults (updated 2018 in *JAMA*.)

The IAS-USA is a 501(c)(3) not-for-profit organization, and your donation might be tax deductible (consult your tax professional).

CATCH THE LAST WEBINAR OF 2018:

New Insights Into Hepatitis C Virus Infection From The Liver Meeting® 2018

Andrew I. Aronsohn, MD
Tuesday, December 4, 2018

www.iasusa.org/attend
