

Cutting-edge HIV Epidemiology: World Congress of Epidemiology 2024

Cape Town, South Africa
September 24-27, 2024

www.wce2024.org

We are excited to announce a new collaboration between IAS-USA and the World Congress of Epidemiology 2024

IAS-USA is partnering with the World Congress of Epidemiology to deliver state-of-the-art HIV Epidemiology content at WCE2024.

The combination of workshops, symposia, interactive sessions and abstract-driven content will showcase the latest advances in epidemiological approaches to HIV prevention and treatment.
