

The 2019 Ryan White HIV/AIDS Program CLINICAL CONFERENCE Agenda

WEDNESDAY, DECEMBER 4, 2019

BASICS OF HIV MANAGEMENT SESSION

FOR PRACTITIONERS WHO ARE NEW TO THE FIELD

4:00 – 6:00 PM	<p>Fundamentals of Antiretroviral Therapy</p>  <p>Michael S. Saag, MD Professor of Medicine Associate Dean for Global Health Jim Straley Chair in AIDS Research University of Alabama at Birmingham Birmingham, Alabama</p> <p>Initiating Antiretroviral Therapy: What to Start and How to Monitor</p>  <p>Steven C. Johnson, MD Professor of Medicine University of Colorado Aurora, Colorado</p>	<p>Moderated By</p>  <p>Laura W. Cheever, MD, ScM Associate Administrator Chief Medical Officer HIV/AIDS Bureau Health Resources and Services Administration Rockville, Maryland</p>
6:00 – 6:15 PM	Question-and-Answer Period	

DAY 1 - THURSDAY, DECEMBER 5, 2019

8:30 – 8:45 AM	<p>Welcome to Day 1</p>  <p>Michael S. Saag, MD Conference Cochair</p>	
8:45 – 9:05 AM	<p>HRSA's HIV/AIDS Bureau Updates</p>  <p>Laura W. Cheever, MD, ScM Conference Cochair</p>	
9:05 – 9:20 AM	Question-and-Answer Period	
9:20 – 9:50 AM	<p>Investigational Approaches to Antiretroviral Therapy</p>  <p>Rajesh T. Gandhi, MD Professor of Medicine Harvard Medical School Boston, Massachusetts</p>	
9:50 – 10:05 AM	Question-and-Answer Period	
10:05 – 10:20 AM	Short Break	
10:20 – 11:20 AM	<p>Treating HIV in 2019: Interactive Cases From the Clinic(ians) and Panel Discussion</p>  <p>Michael S. Saag, MD Conference Cochair</p>	
11:20 – 11:35 AM	Question-and-Answer Period	
11:35 AM – 12:05 PM	<p>Antiretroviral Therapy and Pregnancy in 2019: Current Recommendations and Controversies</p>  <p>Jean R. Anderson, MD Professor of Gynecology and Obstetrics Johns Hopkins University Baltimore, Maryland</p>	
12:05 – 12:20 PM	Question-and-Answer Period	
12:20 – 1:50 PM	Lunch	
1:50 – 2:20 PM	<p>Best Practices in HIV Care: Providing Gender-Affirming Care for Transgender and Nonbinary People</p>  <p>Linda Wesp, PhD, APNP, FNP-C Adjunct Faculty University of Wisconsin – Milwaukee Milwaukee, Wisconsin</p>	
2:20 – 2:35 PM	Question-and-Answer Period	

THE 2019 RYAN WHITE HIV/AIDS PROGRAM CLINICAL CONFERENCE DECEMBER 4 - 7

2:35 – 3:05 PM	Opioid Use and Substance Abuse Disorder  R. Douglas Bruce, MD, MA, MS Associate Clinical Professor of Medicine Yale University New Haven, Connecticut
3:05 – 3:20 PM	Question-and-Answer Period
3:20 – 3:40 PM	Break
3:40 – 4:40 PM	Concurrent Meet-the-Expert Breakout Sessions (Session preregistration is required) Investigational Antiretroviral Drugs and Strategies – Rajesh T. Gandhi, MD <i>Location: Celestin F</i> This session will focus on new approaches to treating HIV, including emerging 2-drug regimens, long-acting antiretroviral medications, and new classes of HIV medicines that are nearing approval or are on the horizon.
	Substance Abuse and HIV Infection – R. Douglas Bruce, MD, MA, MS <i>Location: Celestin C</i> This session will provide an in-depth discussion of substance use disorders beyond opioids (eg, cocaine, marijuana, benzodiazepines, and club drugs). Specific cases that illustrate common themes in treating HIV infection among people with substance use disorders will be presented. Attendees are encouraged to bring cases for discussion.
	Managing Older Patients with HIV Infection – Steven C. Johnson, MD <i>Location: Celestin A</i> This session will focus on clinical issues in the care of older patients with HIV infection including late presentation, poor reconstitution, frailty, polypharmacy, and non-AIDS cancers.
	Managing HIV Infection Among Transgender Adults – Linda Wesp, PhD, APNP, FNP-C <i>Location: Celestin B</i> This session focus on various aspects of gender-affirming and culturally safe care, covering the most common questions clinicians new to transgender health have. Attendees are encouraged to bring cases for discussion.
	Management and Prevention of Common HIV-Related Complications – David H. Spach, MD <i>Location: Celestin G</i> This session will focus on clinical issues in the care of persons with HIV infection including recognition and treatment of common clinical manifestations (including skin and oral manifestations), routine lab monitoring before and after starting antiretroviral therapy, immunizations, and updated recommendations for prevention of opportunistic infections.
5:00 – 6:30 PM	Networking Reception The Hyatt Regency New Orleans is offering a complimentary networking reception for attendees. Light hors d'oeuvres will be served and a cash bar will be available.

DAY 2 - FRIDAY, DECEMBER 6, 2019

8:30 – 8:45 AM	Welcome to Day 2  Steven C. Johnson, MD Conference Cochair
8:45 – 9:15 AM	Inflammation and Its Role in HIV Pathogenesis and Aging  Sara Gianella-Weibel, MD Assistant Professor of Medicine University of California San Diego La Jolla, California
9:15 – 9:30 AM	Question-and-Answer Period
9:30 – 10:00 AM	Neurocognitive Disorders in HIV  Victor Valcour, MD, PhD Professor of Medicine University of California San Francisco San Francisco, California
10:00 – 10:15 AM	Question-and-Answer Period
10:15 – 10:30 AM	Short Break
10:30 – 11:00 AM	Renal Disease and Kidney Transplant  Jayme E. Locke, MD, MPH Associate Professor University of Alabama at Birmingham Birmingham, Alabama
11:00 – 11:15 AM	Question-and-Answer Period

THE 2019 RYAN WHITE HIV/AIDS PROGRAM CLINICAL CONFERENCE DECEMBER 4 - 7

11:15 – 11:45 AM	Cardiovascular Disease in HIV  Heidi M. Crane, MD, MPH Professor of Medicine University of Washington Seattle, Washington
11:45 AM – 12:00 PM	Question-and-Answer Period
12:00 – 1:30 PM	Lunch
1:30 – 2:30 PM	Common PrEP Questions: A Case-Based Discussion  Hyman M. Scott, MD, MPH Assistant Clinical Professor University of California San Francisco San Francisco, California
2:30 – 2:45 PM	Question-and-Answer Period
2:45 – 3:15 PM	Drug Pricing and Generics: Impact on Ryan White HIV/AIDS Programs  Tim Horn Director, Medication Access and Pricing National Alliance of State & Territorial AIDS Directors Washington, DC
3:15 – 3:30 PM	Question-and-Answer Period
3:30 – 3:50 PM	Break
3:50 – 4:50 PM	Concurrent Meet-the-Expert Breakout Sessions (Session preregistration is required) Antiretroviral Therapy: Managing Treatment Failure – Steven C. Johnson, MD <i>Location: Celestin F</i> This session will focus on the approach to treatment failure including definitions of treatment failure, the use of resistance testing, and antiretroviral agents useful in early failure and in salvage regimens. Attendees are encouraged to bring cases for discussion.
	Preexposure Prophylaxis (PrEP) – Hyman M. Scott, MD, MPH <i>Location: Celestin C</i> This session will focus on challenging PrEP evaluation and management scenarios, adherence, non-daily PrEP, HIV and STI testing, and management of renal complications related to PrEP use.
	Renal Disease in HIV Infection – Jayme E. Locke, MD, MPH <i>Location: Celestin A</i> This session will focus on post-transplant care of people with HIV infection including viral, immune, infection, and metabolic control; malignancy risk; and bone disease.
	Neurocognitive Disorders in HIV – Victor Valcour, MD, PhD <i>Location: Celestin B</i> This session is designed to review challenging clinical cases in a discussion format. Attendees are welcome to bring cases to the workshop for group discussion.
	Management and Prevention of Common HIV-Related Complications – David H. Spach, MD <i>Location: Celestin G</i> This session will focus on clinical issues in the care of persons with HIV infection including recognition and treatment of common clinical manifestations (including skin and oral manifestations), routine lab monitoring before and after starting antiretroviral therapy, immunizations, and updated recommendations for prevention of opportunistic infections.
	Prescription Drug Pricing and Cost Considerations in the Management of HIV Infection – Tim Horn <i>Location: Strand 11A</i> This session will serve as an opportunity for participants to better understand and discuss key aspects of HIV treatment drug pricing and cost containment across the US healthcare system and within the Ryan White HIV/AIDS Program.

THE 2019 RYAN WHITE HIV/AIDS PROGRAM CLINICAL CONFERENCE DECEMBER 4 - 7
DAY 3 - SATURDAY, DECEMBER 7, 2019

8:30 – 8:45 AM	Welcome to Day 3  Laura W. Cheever, MD, ScM Conference Cochair
8:45 – 10:00 AM	Ending the HIV Epidemic: Reaching the Unsuppressed and Out of Care Panel Discussion Moderated by:  John T. Brooks, MD Chief Medical Officer Division of HIV/AIDS Prevention Centers for Disease Control and Prevention Atlanta, Georgia  Laura W. Cheever, MD, ScM Conference Cochair
10:00 – 10:30 AM	Sexually Transmitted Infections on the Rise: Syphilis, Chlamydia, and Gonorrhea  Kimberly A. Workowski, MD Professor of Medicine Emory University School of Medicine Atlanta, Georgia
10:30 – 10:45 AM	Question-and-Answer Period
10:45 – 11:05 AM	Break
11:05 AM – 12:05 PM	Concurrent Meet-the-Expert Breakout Sessions (Session preregistration is required) Antiretroviral Therapy: Managing Treatment Failure – Michael S. Saag, MD <i>Location: Celestin F</i> This session will focus on the approach to treatment failure including definitions of treatment failure, the use of resistance testing, and antiretroviral agents useful in early failure and in salvage regimens. Attendees are encouraged to bring cases for discussion. Diagnosing and Treating Chlamydia and Gonorrhea – Kimberly A. Workowski, MD <i>Location: Celestin C</i> This session will focus on the diagnosis and treatment of chlamydia and gonorrhea. Neurocognitive Disorders in HIV – Victor Valcour, MD, PhD <i>Location: Celestin B</i> This session is designed to review challenging clinical cases in a discussion format. Attendees are welcome to bring cases to the workshop for group discussion. Management and Prevention of Common HIV-Related Complications – David H. Spach, MD <i>Location: Celestin G</i> This session will focus on clinical issues in the primary care of persons with HIV infection including recognition and treatment of common clinical manifestations (including skin and oral manifestations), routine lab monitoring before and after starting antiretroviral therapy, immunizations, and updated recommendations for prevention of opportunistic infections. Ending the HIV Epidemic Audience Listening Session– Laura W. Cheever, MD, ScM and John T. Brooks, MD <i>Location: Celestin A</i> This will be an audience listening session moderated by Dr Cheever and Dr Brooks. This session will be an in-depth continuation of the correlating panel discussion, focusing on strategies regarding aspects of the care continuum.
