## HRSA's HIV/AIDS Bureau Vision and Mission

### Vision

Optimal HIV care and treatment for all to end the HIV epidemic in the U.S.

### Mission

Provide leadership and resources to advance HIV care and treatment to improve health outcomes and reduce health disparities for people with HIV and affected communities.

---

---

---

---

---

---

---

---

## National HIV Strategy and Viral Hepatitis and STI Strategic Plans

- The *Office of National AIDS Policy* will be **revising the HIV National Strategic Plan** to reflect the current administration's priorities. The updated National HIV/AIDS Strategy is set to be released on World AIDS Day - **December 1, 2021**.
- The *Office of Infectious Disease and HIV/AIDS Policy (OIDP)* has initiated the process for **developing implementation plans for the Viral Hepatitis and STI National Strategic Plans**.
- HAB has convened an **Implementation Workgroup** to provide programs and activities in support of the goals of the National Strategic Plans.

---

---

## Organizational Strategies to Build Resilience, Reduce Burnout, and Promote Engagement

- Acknowledge and assess the problem
- Cultivate community at work
- Promote flexibility and work-life integration
- Harness the power of leadership
- Use rewards and incentives wisely
- Provide resources to promote resilience and self-care
- Develop and implement targeted work unit interventions
- Align values and strengthen culture
- Facilitate and fund organizational science

## Data Updates

---

---

---

---

---

---

---

---

## Nearly 568,000 Clients were Served by the Ryan White HIV/AIDS Program (non-ADAP) in 2019

**SERVED 567,803** clients in 2019

**MORE THAN 50%** of people with diagnosed HIV in the United States

**46.8%** of clients were aged 50 years and older

**73.4%** of clients were racial/ethnic minorities\*\*

46.6% of clients identified as Black/African American

23.2% of clients identified as Hispanic/Latino

**60.7%** of clients were living at or below **100%** of the Federal Poverty Level

## Ryan White HIV/AIDS Program Updates

---

---

---

---

---

---

---

---

## Engaging People with HIV through Organizational Capacity Development & Leadership Training

### ESCALATE<sup>1</sup>

Ending Stigma through Collaboration And Lifting All To Empowerment

**Aims to:**

- Reduce stigma for people with HIV on multiple levels throughout the health care delivery system
- Focus on implementing stigma-reducing approaches
- Support organizational readiness to employ people with HIV in RWHAP recipient/subrecipient organizations

### ELEVATE

Engage Leadership through Empowerment, Validation & Advancing Transformation & Equity

**Aims to:**

- Increase leadership, representation, and engagement of people with HIV in RWHAP activities
- Develop skills and support knowledge transfer through peer coaching for people with HIV
- Support organizational readiness to employ people with HIV in RWHAP recipient/subrecipient organizations

Visit the [ESCALATE](#) and [ELEVATE](#) sites of TargetHIV for additional project details and updates.

---

---

---

## RWHAP Best Practices Compilation

**How is your organization innovating to reduce health disparities along the HIV Care Continuum?**

The Health Resources and Services Administration (HRSA) HIV/AIDS Bureau (HAB) is looking for innovative and promising strategies for its new compilation of best practices.

The compilation is part of HRSA HAB effort to catalogue and display best practices implemented successfully in Ryan White HIV/AIDS Program health care and treatment settings.

**Do you have a novel approach or promising innovation to share?**  
Please submit it online:  
[TargetHIV.org/bestpractices](https://TargetHIV.org/bestpractices)

---

---

---

---

---

---

---

---

## RWHAP Best Practices Compilation, cont.

**Best Practices Compilation**

The Best Practices Compilation gathers and disseminates intervention strategies that have been implemented in RWHAP funded settings and improve outcomes along the HIV care continuum. Explore the Compilation to find inspiration and new ideas for improving the care of people with HIV. Submit your innovation today for possible inclusion in the Compilation!

## Ending the HIV Epidemic in the U.S. Activities

---

---

---

---

---

---

---

---

## Achieving the Ending the HIV Epidemic in the U.S. Goals

### People with HIV in care

- Improve viral suppression rates
- Decrease disparities

### People newly diagnosed with HIV

- Enhance linkage to care
- Enhance engagement in care

### People with HIV out of care

- Expand re-engagement in care
- Improve retention in care

---

---

---

---

---

---

---

---

## Clients receiving RWHAP and Ending the HIV Epidemic Initiative Services, and ART Prescription, March–August 2020

RWHAP EHE-funded providers submitted data to the EHE Triannual Module for the first reporting period [March through August 2020]. These data<sup>a</sup> represent clients that received services, of whom nearly 6,300 were new to RWHAP and an additional 3,600 were re-engaged<sup>b</sup> in RWHAP services.

<sup>a</sup> Unpublished data, HIV/AIDS Bureau, March through August 2020. Clients may have received multiple services and appear in each category of services received.  
<sup>b</sup> Estimated based on reported numbers of total clients served, new clients, and existing clients.

---

---

---

---

---

---

---

---

## FY 2020 New and Ongoing Initiatives to Support EHE

- **Expanding Interventions**
  - Improving Care and Treatment Coordination: Focusing on Black Women with HIV
  - Building Capacity to Implement Rapid Antiretroviral (ART) Initiation for Improved Care Engagement
  - Ryan White HIV/AIDS Program Best Practice Compilation
- **Developing Capacity**
  - Enhancing Engagement of People with HIV through Organizational Capacity Development and Leadership Training
  - Reducing Stigma at Systems, Organizational, and Individual Client Levels in the Ryan White HIV/AIDS Program
- **Increasing Data Utilization**
  - Ryan White HIV/AIDS Program Data Dashboard

---

---

---

---

---

---

---

---

## Community Engagement Framework: Where We Are Today

---

---

---

---

---

---

---

---

## Listening Sessions at This Conference

- Give your feedback to the HIV/AIDS Bureau
  - Monday, October 4 and Wednesday, October 6
  - 12:45-1:45 Pacific/ 1:45-2:45 Mountain/ 2:45-3:45 Central/ 3:45-4:45 Eastern

---

---

---

---
